

## **Burnaby Building Bylaw 11729**

- Section 2(2) states that the bylaw contains provisions different than Part 1 of the British Columbia Building Code in terms of applicability.
- Section 3(1) states definitions in Burnaby Building Bylaw 11729 that supersede BCBC.
- Section 3 has a unique definition of Building Envelope Professional, including qualification by Burnaby.
- Section 11.1(a) requires registered professionals whenever the building inspector thinks the project “so warrant(s)”.
- Section 12 requires the use of a Building Envelope Professional on all residential buildings except single and duplex residences.
