

## **Coquitlam Building Bylaw 3598**

- Clauses 6.2 and 6.5.17 require LoA at the discretion of the Building Inspector, not only where required by the British Columbia Building Code.
- Clauses 6.2 and 6.5 require LoA that references certification, rather than substantial compliance.
- Clauses 59.1 and 59.2 outline conditions for professionals to qualify as a Certified Professional at the discretion of the General Manager - Planning & Development, and may include an examination.
- Clause 6.7 states that even if they officially rely on Registered Professionals, they do not have to accept C-B letters at the end.
