

## **City of North Vancouver Building Construction Bylaw 7390**

- Clause 7.3.6 requires insurance and gives the authority wide range in requiring any measures to go with the insurance.
- Clause 8.13 contains construction requirements for signs, awnings, canopies and marquees.
- Section 9 - Building Security has extensive construction requirements that vary from the BCBC.
- Section 10 – Fire Limit Areas requires sprinklering even where not required by the BCBC.
- Section 11 – Swimming Pools contains requirements for fences around swimming pools.
